

# ASSP – LA Chapter | October 2024 Newsletter

## Event Recap: 2024 Safety Congress & Expo

The expo offered workplace safety and health professionals a vast networking experience while highlighting best practices, industry trends and the latest product innovations. Thousands of safety and health professionals look to ASSP’s annual conference – now in its 63rd year – to advance their careers and interact with experts who will share proven techniques for elevating safety at their companies.

This year was also a special treat as Special Interest Group, Hispanic Safety Professionals (HSP) in Partnership with Los Angeles Chapter celebrated HSP 20<sup>th</sup> Anniversary, Congratulations HSP!

Workplace safety and health will continue to evolve, and the ASSP will continue to connect you with industry expertise, a network of like-minded peers and the latest innovations. 2024 was a SOLD-OUT year so be sure to save the date for our 64th annual Conference and Expo. We’ll see you in Orlando, July 22-24!

## Mentorship and Emerging Professionals Programs

ASSP LA is happy to share the initiation of the mentorship program. If you would like to be involved with the mentorship program, then please reach out to Jasmine San Nicolas at [jsannicolas@uscompliance.com](mailto:jsannicolas@uscompliance.com). This program is intended to connect Safety professionals who are at different stages in their career. The objective is to learn from each other and build community. This is an excellent opportunity to grow your network.

As this is a new program for ASSP LA, we are open to hearing ideas of what you will find most beneficial from a program like this – so please send us your feedback!
