2025 President’s Message

My fellow Los Angeles ASSP Members,

As we welcome 2025, I am filled with immense pride and gratitude for the resilience, unity, and progress we have achieved together. This past year has been a testament to our collective strength and unwavering spirit.

We have faced challenges with courage and turned obstacles into opportunities. Our communities have come together, showing compassion and support for one another. It is this spirit of unity that will continue to guide us as we move forward.

In 2025, let us embrace the possibilities that lie ahead. Let us strive for significant meaningful connectivity events, sustainability, and inclusivity. Together, we can build a future where every individual has the opportunity to thrive and contribute to the greater good.

I deeply appreciate each and every one of you. Your dedication, hard work, and commitment to our shared values as safety professionals are what make our community strong. As we embark on this new year, let us carry forward the lessons we have learned and the hope that inspires us.

May 2025 be a year of prosperity, peace, and progress for all. Happy New Year!

With gratitude and optimism,

Evan Setyawan
