PLATINUM LEVEL CHAPTER
2024-2025

New Year Message from Chapter President

Dear Los Angeles ASSP Chapter Members,

As we usher in a new year, I am filled with gratitude for the incredible community we've built together. I am thrilled to announce that our chapter has achieved the highest level of recognition—Platinum Level—for this past term. This outstanding accomplishment reflects our shared commitment to advancing workplace and community safety and health.

I would also like to take a moment to celebrate some exceptional individuals whose contributions have made a tremendous impact:

- Jesse Ruiz and Cecile Felsher, recipients of the Chapter Setyawan Presidential Safety Award.
- Kaye Horton (2023), Evan Setyawan (2024), and Mariana Lever (2025) are honored as our Safety Professionals of the Year.
- Courtney Horist was recognized with the Somerfeld Award.
- Angel Romero, acknowledged for exemplary past president engagement, whose leadership continues to support us.

Let these achievements remind us of the power of collaboration and the positive change we can create together. As we look ahead, I encourage every member to stay engaged and take part in our upcoming events. Your involvement is what makes our chapter strong and vibrant. Together, let's make 2026 a year of continued growth, connection, and safety excellence!

With gratitude and optimism,
Evan Setyawan, SMP, CHST, CHSO, ASH.
